Link Tenant With CSM for Intune

1. Navigate to **Administration** -> **Azure tenants** in our portal to add your or your customer's Azure for CSM for Intune

2. Select **Link tenant** and fill in the tenant

3. Fill in the tenant name. If the tenant name is used in default format it automatically adds the suffix onmicrosoft.com to it. The tenant name can be found in

   https://portal.azure.com/#blade/Microsoft_Intune_DeviceSettings/ExtensionLandingBlade/tenantStatus
